

Cougar Cookers Scholarship

Fall 2019/Spring 2020

The University of Houston Cougar Cookers announce the Cougar Cookers Scholarship for an exemplary student who has demonstrated leadership and active participation in Frontier Fiesta. This scholarship encourages student engagement and leadership in the planning, organization and implementation of Frontier Fiesta on behalf of the University of Houston community.

Scholarship

The scholarship is a one-time award in the amount of \$3,000 paid in two installments in the Fall 2019 and Spring 2020 semester; the award will be made to a student leader who has proven a past commitment of leadership to Frontier Fiesta and continues to maintain active involvement following receipt of the award. The scholarship will be awarded contingent upon the student remaining in good standing at the University of Houston, making satisfactory progress towards a University of Houston degree, and maintaining a full-time course load (12 hours).

Eligibility

The selection committee shall consider past and current involvement, level of participation, other community/university involvement, recommendation letter, transcript details, etc. The scholarship is open to all student participants, **compensated or not**, from the Frontier Fiesta organization. There are no restrictions to applicants based on sex, race, nationality, country of origin, physical disability, veteran status, or sexual orientation. Recipients of the award shall not forfeit other scholarships, grants, or awards to which they are entitled. However, if a recipient applies for financial aid, the amount of the award may be used in calculating the total amount of aid for which the student is eligible.
